

My lantern shines as bright as stars

Melody: I saw three ships

1. My lan - tern shines as bright as stars As
2. St. Mar - tin was a gi - ving man A
3. He met a beg - gar on his way -
4. One doesn't - need a lot to live A

bright as stars, as bright as stars My
gi - ving man, a gi - ving man St.
On his way, on his way He
lot to live, a lot to live One

lan - tern shines as bright as stars It
Mar - tin was a gi - ving man He
met a beg - gar on his way And
doesn't - need a lot to live Be

shines for you - and me.
shared what he had with the poor.
gave him his coat and his bread.
thankful for what - you have.
